

# A NIGHT FOR VISION

JOIN US FOR

Your support helps advance Envision’s mission to create inspiration and opportunity for people who are blind or have low vision in Wichita and communities across Kansas through employment, outreach, rehabilitation, education and research.

PRESENTED BY

2301 S. Water Street  
Wichita, Kansas 67213

For years, Envision has created opportunities for people who are blind or have low vision to learn, grow, work and live with greater independence. This year, we celebrate the journeys that have brought us here while looking ahead to what comes next for Envision in Wichita: new spaces, evolving technology, innovative programs and even more opportunities for people to build the futures they choose. As Envision begins a new chapter at Water Street, we invite you to join us in celebrating the impact already made and investing in what comes next for people who are blind or have low vision in Wichita and across Kansas.
